

treat
psoriasis
seriously

our lives depend on it

Dear

29 October has officially been declared World Psoriasis Day. It is an annual day specially dedicated to people with psoriasis and/or psoriatic arthritis.

Conceived by patients for patients, World Psoriasis Day is a truly global event that sets out to give an international voice to more than 125 million people around the world who suffers from psoriasis.

World Psoriasis Day aims to raise the profile of a condition which needs to be taken more seriously and give people with psoriasis the attention and consideration they deserve. Please join us!

Visit our website, worldpsoriasisday.com and have a browse around.

Warm regards on behalf of Association.
